

Schneider Electric SEI SAS
Computer Systems / Information Security and Confidentiality Affidavit

*** IMPORTANT NOTICE ***

You are applying to Information Services for a Logon ID with special access privileges to Schneider Electric SEI computer system(s). Before any security code (Identification and associated Password) can be issued, you must understand and accept your responsibilities for safeguarding the integrity of the Schneider Electric SEI computer system(s) and associated data.

USER ACKNOWLEDGEMENT

By signing this Affidavit, I acknowledge having read and agreed to the following:

1. The access privileges given to me will provide access to Schneider Electric SEI business-critical computer system(s) and to business information of Schneider Electric SEI, which may be sensitive, proprietary, and / or confidential.
2. I affirm my responsibility to (i) treat all such Schneider Electric SEI information with care; (ii) not remove, transfer or disclose to any third party such information in any form (oral, written, printed or electronic) without prior written consent of Schneider Electric SEI; (iii) use such information exclusively for the performance of my employment with or services for Schneider Electric SEI and to limit any such required information disclosure on a strict need-to-know basis; and (iv) avoid any actions that could damage, disrupt or affect the integrity of the computer system or any associated data. However as the undersigned user, I shall not be liable for disclosure of information which (i) at the time of disclosure is in the public domain; (ii) was already in my possession at the time of receipt and was not acquired, directly or indirectly from Schneider Electric SEI; or (iii) was received from a third party having the legal right to transmit the same.
3. I understand that any security code issued is in my name and is for my use only. I understand I am responsible for this Logon ID and all access made on its behalf.
4. I will take all reasonable steps needed to keep my Logon ID and password confidential.
5. I will log off, or otherwise secure my terminal when leaving my workstation unattended.
6. I understand that my security code will be removed from the system after a six-month period of inactivity.
7. I will immediately report known or suspected security weaknesses or violations to my manager or supervisor at Schneider Electric SEI.
8. I understand that any violations of the provisions of this Affidavit will be treated seriously by Schneider Electric SEI and could lead to sanctions including termination of my access privileges and termination of employment or services for Schneider Electric SEI.
